Experience

- Marketing Intern (July 2020 - Present)
University Relations, University of Minnesota Twin Cities
- Content creation for @umntwincities, @UMNews, and official university LinkedIn and Facebook page.
 - Researched, analyzed, and compiled account data for brand channels. Formal report included measures of interaction across all channels and used throughout University Relations team.
 - Wrote and edited copy for accounts, managing 3-6 posts per week.
 - Sourced and generated content for team, brand resources, and channel distribution.
- Creative Director (Dec 2019 - Present)
Design U
- Creative Director for Design U, a pro bono, student consultancy through the University of Minnesota-Twin Cities.
 - Developed and strategized communication plans for the organization. Involved creating 3-4 social media campaigns per semester, promotions each week, and public communications throughout.
 - Designed all the graphics, moving content, and visual communications.
- Graphic Designer (Oct 2019 - Jul 2020)
College of Science and Engineering
- Student Graphic Designer for the college's Communications Team.
 - Designed, developed, created, and drafted content for the college's activities, events, announcements, and other communications.
 - Independently learned and used Adobe AfterEffects for digital signage, account animations, and moving designs.
 - Managed an average of four projects per week, often all for different clients.
 - Specialized in 'big-picture' projects, often spending multiple weeks to develop designs and work on a larger scale.
